COMIREX

25X1A  
25X1D

[redacted] reported on EXSUBCOM's meeting on Friday, 3 August related to the latest [redacted]. IAS had three basic comments: (1) too much being done at the Processing Facility; (2) afternoon summary report scheduled for 1800; and (3) the paper did not really describe when information would be put in the data base and in what forms it would be available. EXSUBCOM members were in general agreement with IAS.

The Chairman of EXSUBCOM stated that the problem related to where material will be readout will not be addressed until all the exploitation requirements are defined. The next "Exploitation Concepts" draft will state that the afternoon summary report be scheduled for issuance at 1500 to permit everyone an opportunity to scan the report before close of business. EXSUBCOM also promised to investigate the whole data base problem.

ADP

25X1A

[redacted] reported on NPIC's plan for computer support in the 1975-1980 time period. The plan calls for converting from the Univac 494's to a new computer system in three distinct phases. If approved by the DCI, implementation will begin in FY 74 and end with phase-out of the 494's in FY 79.

The Chief, AID has confirmed that our four desk-top CRT terminals are scheduled for delivery late this month.

25X1A

The ADP Applications Group has completed the review of all targets in the IDF. Those of interest to IAS are being keypunched by AID for inclusion in the IAS sector of the IDF. It is planned that the IAS target file will be operational about 20 August. [redacted] asked the division chiefs to provide him with the names of those people whom they wish to be trained to maintain, update, and query the file. Training in the use of the OUD, DEN, BQLT, and PIRL programs will be offered on a selected basis in the near future.

BUDGET REVIEW

25X1A

[redacted] briefed members on status of IAS' budget for FY 74-75.

PERSONNEL

25X1A

[redacted] reviewed pending changes in authorized personnel strength.

EXPLOITATION EQUIPMENT NEEDS

25X1A

[redacted] discussed IAS' FY 74 requirement to replace 26 obsolescent light tables. Members agreed that attempts should be made to obtain Planning Staff approval to purchase 26 MIM-2X9 tables at about \$8,300 each.

DDI OBJECTIVE REGARDING AREA FAMILIARIZATION

One DDI objective indicates that production offices should attempt to have their analysts revisit areas of their particular specialization. Mr. Allen stated that this should apply equally to IAS. [redacted] stated he would make every effort to have this objective include IAS.
